Parking and Club Trailers

Clubs in the area and those travelling to the Surf Coast on the Saturday are encouraged to drop club trailers (including surf boats) off at the property across the road from the club's beach access ramp on Saturday afternoon. Trailers dropped off on Saturday will receive priority access getting on to the beach Sunday morning.

The sealed and back portion of the gravel car park opposite the club will be used for boat and craft drop off and turning. There is no guarantee of competitor or official parking opposite the club. There will be a shuttle bus run from the skate ramp carpark in Airyes Inlet (before crossing the Painkalac Creek, opposite bottom shops) which we encourage you to utilise after dropping off craft opposite club. All other event parking will be along the Great Ocean Road as first in best dressed. **There will be no pedestrian crossing of the Great Ocean Road, the new tunnel is open and fits all board and ski craft.**

The map of the skate park parking area/shuttle bus is [here](#)
