**2017 Victorian Masters Championships**  
Saturday, 11 February 2017  
Lorne SLSC

## Entries and Program

All competitors must be current financial and proficient members of Life Saving Victoria (LSV). Entries for Clubs will be via the LSV online entry system. All Team Managers are responsible for entering competitors into specific events and will be required to enter members electronically through the LSV website under the Sports main menu and by clicking the registrations link on the main page. Alternatively the site can be accessed via the following link: <http://sportlsv.carnival.sls.com.au/eventmgr/sport>

Team Managers must obtain a username and password from the Aquatic Sports Department on 03 9676 6957 or by emailing [sport@lsv.com.au](mailto:sport@lsv.com.au).

Please note the Championship Program is available [here](#)

## Registrations

Team Managers must review their clubs 'Full Competitor List - Patrol Hours' report via the reports section of the Entry System. This sheet must be printed and signed by each Team Manager and submitted to LSV by the close of entries, with explanations outlining why someone has been entered if they come up as ineligible. Clubs entering ineligible competitors may face disciplinary action.

## **Masters competitors are to have their age marked on both their upper arms.**

Masters competitors may only compete in their own Masters age group in individual events and in only one age category in each different team event entered.

For any event to be contested, a minimum of one (1) starter is required provided that the competitor/team correctly completes the course. Where Championship events are contested all place getters shall be awarded placing medals.

The combining of competitors into events (while maintaining the individual age or team age groups) may also be permitted in the case of insufficient competitors, or for other reasons to aid the conduct of the competition.

## Entry Fees

Competitor entry into the 2017 Victoria Masters Championships is \$36.00 per competitor (GST inc). Clubs will be invoiced following the competition for the total amount of competitors, including team lists.

A decorative wavy line at the bottom of the page, featuring blue, yellow, and red colors.

Late entries will be taken on the day and charged twice the competitor entry fee i.e. 2 x \$36 = \$72.00. These individuals will have to prove they are financial and supply a copy of their patrol hours.

Competitors will not be able to compete if they have not registered. If found competing without being registered, late fee penalties of four (4) times the entry fee will apply i.e 4 x \$36 = \$144.00. Plus the Club may face additional disciplinary action.

### Medals

Medals will be awarded to the 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> placegetters.

For an event to run, it must have a minimum of two (2) competitors to start.

### Officials Requirements

As per the [2016/17 Senior Team Managers and Officials Handbook](#) Clubs are required to provide officials dependant on the number of competitors competing. Please note that the maximum number of officials any one club needs to provide is 8 officials.

**Officials, Powercraft and Set-Up/Pack-Up personnel must be entered into specific roles [here](#) by the close of entries.**

If Clubs fail to supply Officials according to the ratios given above, this will result in the club's athletes being ineligible to compete at these Championships.

### Powercraft and Set-Up/Pack-Up Requirements

The clubs listed below will be responsible for the provision of one IRB Powercraft Crew (consisting of one driver and one crewperson) for the nominated carnival. Failure to meet these requirements will result in that club being ineligible to compete at the carnival. LSV cannot stress enough how important it is for clubs to fulfil these requirements.

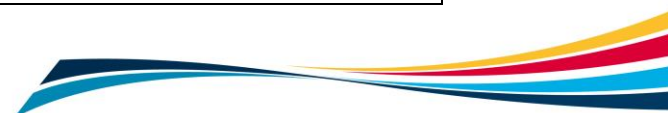

Note:

- (a) The IRB Crew supplied must be competent in handling the conditions of the beach allocated. Clubs' crews may be separated at the discretion of the carnival Powercraft co-ordinator.
- (b) Club crews MUST have spray jackets and wetsuits sufficient for use in inclement weather. Crews that report to the Powercraft officer wearing only board shorts and a rash vest (unprepared for the conditions) will be turned away. Their club will then have their competitors removed from the carnival.
- (c) Club IRB Crews MUST report for their roster 15 minutes before their scheduled timeslot.
- (d) Clubs' crews on the first and last shift on the day will be required to help set up and pack LSV equipment. The last shift on carnival day MUST stay until the IRB trailer is packed.
- (e) Due to the change in rostering, clubs that are listed for PM water safety and do not meet their requirements for water safety will be ineligible for the next carnival / competition.
- (f) IRB Crews' names, and set up/pack up crews must be entered onto the online sheet [here](#):

## **Parking and Club Trailers**

- Surf Boats can be launched at the 'swimming pool entry' to the beach.
- Ski and Board trailers can be parked in the main club car park.
- No cars or club trailers are permitted on the grass area of the foreshore.
- Please note that parking restrictions will be enforced around Lorne and that parking is not permitted on yellow lines

## **Weather/Conditions**

In the event of adverse weather conditions, the carnival may be cancelled or moved. A decision to cancel will be made as far out from the carnival as possible - whereby all registered competitors will be notified via email. Alternatively, if conditions change unexpectedly all team managers and athletes are advised to check Life Saving Victoria's Facebook and Twitter pages. [www.facebook.com/lifesavingvic](http://www.facebook.com/lifesavingvic) and [www.twitter.com/lsvsport](http://www.twitter.com/lsvsport)

## **Back up Location**

Please note that the back-up location for this event is **Cosy Corner**. In the event of the carnival needing to be re-located due to poor weather etc., all club requirements (Officials/Powercraft/Work Parties) will be transferred to the back-up location.

In circumstances where the event is moved to the Back-up Location, note that communication will be circulated via nominated Team Managers and electronically to registered competitors as soon as practical.

**ENTRIES CLOSE:** 11:00pm on Sunday, 5 February 2017
