

Water Safety Scavenger Hunt

Age: 8+ years old

Water Safety Message: Learn about different waterways, rescue objects and how to stay safe in and around water

Can your child find all the items listed below?
Please ensure you are following supervision requirements and always [Watch Around Water](#).

- ☐ 5 objects around the house that float
- ☐ 2 objects that could be used to reach a swimmer in danger and pull them to safety
- ☐ 3 different areas with water around your home
- ☐ A picture of a local waterway in a magazine or book
- ☐ Something that is the same colour as the flags you swim between at the beach (Clue: red and _____ flags)
- ☐ Something that would keep us safe when visiting a beach (Clue: how can we stay SunSmart?)
- ☐ Someone who can watch you around water
- ☐ Your favourite thing to take to your local beach or waterway!
