Session 5 Wednesday, 26 February – Life Saving Victoria

Mentoring – What it's all about and why you should have one?

Session Details:

The 5th session of the LSV Female Leadership Network will be held on Wednesday, 26 February 2014 from 6:30pm at Life Saving Victoria - 200 The Boulevard, Port Melbourne. Duration: 6:30pm – 9:00pm (approximately)

Preview to session:

Having a mentor, provides an opportunity to look more closely at yourself, your issues, opportunities and what you want in life. Mentoring is about becoming more self-aware, taking responsibility and directing your life in the direction you decide, rather than leaving it to chance.

This session will also showcase the benefits of mentoring and being a mentee by matching you with a potential mentor/mentee from within lifesaving and through fun interactive workshops.

The session will kick off at 6.30pm, with drinks and nibbles served in the bar, with additional time to network upon completion of the workshop.
