The objectives of the network are:

- provide the opportunity to develop new networks within lifesaving
- provide the opportunity to develop broader professional networks that extend beyond lifesaving and into professional industries and everyday life
- partner with other areas of lifesaving to encourage collaboration across all areas of the movement
- provide mentoring opportunities to female leaders within lifesaving

Life Saving Victoria through sponsorship from the Australian Sports Commission and Sport and Recreation Victoria will cover the cost of participation for all females in the network. Networking events are planned to take place throughout the year.
