

Circular 09:01:08

To: Club Presidents
Chief Instructors
Club Secretaries
Patrol Captains

Cc:

From: Scott Turnbull
Team Leader – Education Services

Date: 11 January 2008

Subject: Summer Casual Employment Opportunities

Action: Please contact Education Services for more information or to register attendance

Life Saving Victoria is seeking out vibrant and enthusiastic people, to join our team of casual staff members, working with school kids and community groups, helping to educate on a range of water safety messages, and activities.

These Education programs are run from November through to March at either local beaches or pools, or staff have the opportunity to work at a range of different waterways around the state, such as rivers, lakes and dams.

Further information, including dates for the Recruitment and Training session, can be found on the attached flyer.
