Subject: 2nd Edition Junior Development Resource (Surf Education Resource)

Action:

SLSA has just recently released the 2nd Edition of the Junior Development Resource. This junior resource which is basically the Surf Ed program as we know it is now broken into all the different age groups and made easier to deliver and to administrate moving forward.

There is now an Age Manager guide to each age level of Nippers which makes life a lot easier not only for the Age Manager but indeed the Junior Coordinator at each club. The focus can now be on the one age group which will make it easier to encourage new parents and volunteer helpers to assist with the Nippers program.

Please visit the Surf Education Page of the LSV website for a link to the SLSA resources.

More detailed information about the resources will be delivered at the up and coming Age Managers Courses on the following dates:

Saturday October 4 @ Cape Paterson SLSC – 10.00am
Sunday October 5 @ Sale – 8.00am
Saturday October 11 @ LSV – 1.00pm
Sunday October 12 @ Jan Juc SLSC – 1.00pm
