Life Saving Victoria, established in 2002 is Victoria's peak Water Safety and Lifesaving organisation with a mission to prevent aquatic related death and injury across all Victorian communities. We strive to provide all Victorians with water safety, swimming, resuscitation, and safe beaches, water environments and aquatic venues.

We achieve this by working with our members, clubs, communities, educational institutions, governments, and other organisations in the provision of best practice education, training, aquatic sport, surveillance and rescue and risk management services. Life Saving Victoria is seeking a proven professional with outstanding communication skills, commitment to quality outcomes and strong attention to detail with a strong strategic thinking and planning skills. If you are a proactive thinker and enjoy working in a dynamic and motivated team environment and with volunteers.

Our Aquatic Sports Managers position is for you. This role will provide leadership and direction for a small team of staff and Volunteers while monitoring the delivery of Life Saving Victoria's (LSV) Aquatic Sports across the State, with a focus on client relations and program development, while ensuring all stakeholders are regularly informed with current aquatic sport programs, strategies and requirements are delivered. Reporting to the General Manager – Lifesaving Operations, this position is a key person responsible for core operational requirements for the successful delivery of all aquatic sports related programs.

The Aquatic Sports Manager will also be expected to work closely with key organizational members, sponsors and LSV Director, in harnessing their support and gathering ongoing service delivery support.

In return Life Saving Victoria will provide an attractive remuneration package and a fabulous work environment, office amenities and facilities.
