Subject: Endorsement of Gold Medallion Assessors – Season 2008/09

Action:

This Circular is to advise on the endorsement of Gold Medallion Assessors for 2008/09 season. These endorsements will be valid until 30 June 2009.

Selection

The Endorsed Assessors were selected by using the list of endorsed assessors for 2007/08, and making some minor changes where LSV had been advised of people not able to continue, and where requests had been received to add new assessors.

The minimum requirement is being a Bronze Medallion Assessor. LSV also need to be satisfied that the Assessors are aware of the current Gold Medallion Assessment criteria & Proficiency criteria, and the Assessors are of good standing.

The list of Assessors provided to the State Assessment Supervisor and me for consideration has now been endorsed.
