Following last year’s successful piloting of a ‘Fast Track’ Pool Lifeguard Course, Life Saving Victoria is running two (2) more of these courses in summer 2009-2010.

The Fast Track course is designed for members of Life Saving Clubs who are interested in working as a professional lifeguard at an aquatic venue (e.g. swimming pool). It recognizes their training conducted by their Life Saving Club and so delivers savings to the candidate in time and money.

The attached poster was recently sent to all Clubs to display (at their discretion).

Please notify members who may be interested in participating in this course of the dates and enrolment phone number.
‘Fast Track’ Pool Lifeguard Course

Would you like a job as a Pool Lifeguard?
Do you have some lifesaving training through your lifesaving club?
Do you want to save time and money?

If you answered ‘yes’ to the questions above then LSV’s ‘Fast Track’ Pool Lifeguard Course might be for you. Learn how to apply the skills you gained at your lifesaving club in a pool environment.
