This Circular details amendments to SLSA Surf Sports Manual 34rd Edition.

This Bulletin advises an update to Section 2, 4, 8 and 12 of the SLSA Surf Sports Manual 34th Edition. The changes reflect SLSA's ongoing commitment to the continued safe, fair and efficient delivery of competition and have been made following consultation with the SLSA subject matter experts, officials, coaches, other interested parties' and appropriate levels of SLSA membership.

The (SLSA) Sport Standing Committee has endorsed all the changes.

Changes relating to the wearing of high visibility vests, personal floatation devices (PDFs) and to helmets have been previously advised by way of Bulletins 1/12-13 and 5/12-13 are indicated as such.

The (source) electronic Surf Sports Manuals has been updated to reflect these changes and is posted on SLSA's website at <http://www.slsa.com.au/default.aspx?s=adminresources&id=383>.

Except where indicated all changes are immediately in effect
