In the past two seasons there has been a Rescue Water Craft (RWC) service operating in the Kingston Region. This project provided roving lifeguard patrols on RWC’s over the peak summer period. This year sees the expansion of this project to a second region, Port Phillip. In order to continue to provide these services, Life Saving Victoria is looking for applications for paid RWC Lifeguard positions. These positions primarily reside in the Melbourne area.

Applications are now open for those who wish to be considered for positions as a Life Saving Victoria (LSV) RWC Lifeguard during the 2013/14 season.

To apply, please complete the Paid lifeguard application by 5:00pm Monday, 16 September 2013. https://lifesavingvictoria.wufoo.com/forms/metropolitan-rwc-lifeguard-application-2013-2014/
