<td>Life Saving Victoria, 200 The Boulevard, Port Melbourne</td>
</tr>
</tbody>
</table>

Please note the finishing time is an approximate

Age Managers Accreditation is compulsory for all members delivering Junior Lifesaving Programs at their club. This course ensures that Age Managers are aware of their obligations towards junior lifesavers, and also provides them with the skills to assist Nippers in their growth towards being future lifesavers.

An Age Manager plays an important role in the development of junior members within Life Saving Victoria (LSV); with Juniors (5-13years) comprising 32% of membership and Youth (14-17years) consisting of another 15%. Age Managers help introduce junior members to surf lifesaving and ensure their experiences are both positive and beneficial.

To be eligible to become an Age Manager you must:
- Be 18 years or older
- Be a financial member of a Life Saving Club
- Hold a valid Working with Children Check which has been registered on SurfGuard

The Age Managers course content includes:
- Introduction to Surf Life Saving
- Role of the Age Manager
- Creating a Safe Environment
- Growth, Development and Learning
- Age Manager in Action
- Junior Development Resource Kit
