Please note that SLSA have changed the format of the Interstate Championships – which will no longer include U15 athletes. U15 athletes are encouraged to trial for the Victorian Development Team.

Due to continued funding, there is financial assistance available for all State Team members in 2013/14, whereby half the cost of your State team involvement will be funded. The remaining funds will be invoiced directly to athletes clubs, who will be responsible for payment. Clubs may decide to assist athletes with these costs or forward these on to athletes.
This means that a club representative (President/Secretary/Club Coach/Club Team Manager) must endorse each athlete’s application before the athlete is considered. Please contact your club representative to ensure your nomination is endorsed by your club.

LSV will not accept nominations from athletes without their Clubs endorsement. LSV will check with Clubs before selections that each athlete has been endorsed for selection.

To express your interest in selection of any of these teams please fill out the following online form: https://lifesavingvictoria.wufoo.com/forms/victorian-state-team-nominations/
