Life Saving Victoria is pleased to advise the implementation of an LSV Photography Pass for the 2013/14 season.

The Photography Pass will provide members, parents and spectators who hold a valid Working with Children Check (WWCC) the opportunity to take photographs at all lifesaving events for the duration of the 2013/14 season; including carnivals.

Please submit the registration form below, allowing at least 5 working days for processing from the commencement of any event (carnival). (Noting that final registrations close Friday, 17 January 2014).

The LSV Photography Pass coincides with the release of the Life Saving Victoria Photography Policy which outlines the requirements for members, parents and spectators wishing to take photographs at lifesaving events.

Scope of Policy:

Life Saving Victoria has a duty of care to protect all members from unwelcome and unsolicited attention while participating in lifesaving events.

As such, LSV carefully monitors all persons taking photos at LSV events.

Life Saving Victoria (LSV) has "exclusive use" of the 'Licenced Area' for the duration of any sanctioned event.
