Life Saving Victoria is inviting persons to nominate Club Members who have an interest, aptitude and skills that will enable them to effectively fulfil the Member Protection Information Officer (MPIO) role.

MPIOs play an important and positive role in Clubs. They help ensure relevant policies and procedures are clear and accessible when they are most needed by those endeavouring to resolve issues or concerns in sport/clubs.

Due to a high level of interest, Sport and Recreation Victoria will be working with the Victorian Equal Opportunity and Human Rights Commission to hold a final training session for 2013, with further dates to be communicated for 2014.

Melbourne Training Program:
Monday, 9 December 2013  9.30am – 1.00pm

Venue:
Victorian Equal Opportunity & Human Rights Commission, Level 3, 204 Lygon Street, Carlton VIC 3053

To become an MPIO, participants must register, complete seven online modules (at a time that suit themselves) and participate in a 3.5 hour face-to-face training program.

For those interested in attending, please email kate.mclauchlan@lifesavingvictoria.com.au

Please note registrations close Monday, 2 December 2013, with the course limited to 16 participants. There is no charge to attend. Catering will be provided.
