Subject: Changes to Summer Surf Series #3 Program

Action: Clubs are to note changes to program

The Life Saving Victoria (LSV) would like to advise clubs of the revised program for Summer Surf Series #3 at Jan Juc SLSC this weekend. The new program is available online:

Important Notes:

1. The High Tide is forecast for 8.36am and we ask clubs for patience at the start of the carnival.
2. No Club Tents are to be erected until advised by LSV on the morning due to the early High Tide.
3. Surf Boats must be dropped off before 8am, and will be brought onto the beach early Sunday (prior to the High Tide), and will be dropped off on the beach above the high tide mark. Once the tide starts to drop clubs will be able to set tents up and move gear around. Boats who arrive after 8am will risk not being brought onto the beach prior to the 10am start.
4. Surf Boats will have a slightly delayed start to the carnival with marshalling at 9.30am for a 10am start to events.
5. Clubs are asked to only bring essential gear/craft onto the beach early in the day. Additional gear may be brought down once the tide starts to drop.
