For additional details on this Circular please contact:
David Potter 03 9676 6931 or email david.potter@lifesavingvictoria.com.au

The Royal Life Saving Society Australia, Victoria Branch (RLSSAV) has never had a comprehensive book written about its history. It was in 1904 the branch was formed and became an affiliated member of the Royal Life Saving Society, Great Britain.

Since its inception, now more than 100 years ago, the work of the Branch has been extensive and undertaken in a very historically significant period of Victoria’s history. The gathering and collection of the information on the formation of the Branch, its development over the years and contribution to lifesaving and water safety within Victoria will be a significant task.

Life Saving Victoria (LSV) is circulating to all Club History officers, Life Members, Club Members and Friends seeking expressions of interest to volunteer to be a part of the History Research Committee to collect this information and to research the RLSSAV history with the aim to publish a comprehensive history book.

It is proposed to hold a meeting of those who are interested in being a part of the team on Saturday, 2 August 2014, which will be confirmed to all submitted expressions of interest.

Expressions of Interest can be made on the attached form and submitted to LSV no later than: Friday 11 July 2014 or by calling David Grant OAM, Mentone LSC Historian on 9589 4541.
