Life Saving Victoria in partnership with Game Changers Australia and Sport & Recreation Victoria are providing a unique leadership development opportunity for 10 female members, aged 16 - 18 years, to be involved in a 3 day Female Youth Leadership Program (FYLP).

The program aims to develop young females as leaders in the sport and recreation sector, as well as providing participants with a variety of leadership tools and resources to apply at club level.

Please see link below to promotional video: https://vimeo.com/96146447

Program Overview
- Duration: 3 day live in program (2 nights)
- Dates: 28 – 30 September, 2014
- Location: Kinglake Ranges Wilderness Camp, Kinglake West

Who will be involved?
- 100 female participants aged 16-18 years of age
- Participants will be from a variety of sports and could include: cricket, hockey, football, soccer and lifesaving

Program Outcomes
- Participants to gain a Coaching accreditation
- Enhance the development of our current and aspiring female leaders
- Create an environment that encourages socialisation and positive relationships between female participants
- Encourage further involvement in the lifesaving movement
- Provide the opportunity to develop networks within surf lifesaving
- Develop leadership skills through a variety of activities, workshops and guest speakers

Program Overview
- Attendance at the 3 day live in program, participation and completion of all program activities
- Participants will gain a Coaching accreditation at a time organised prior to the camp
- 25+ hours of volunteer/ community service delivered through a project or initiative at their local club, or region. This can include assistance with the club nipper program, coaching, administration, events, etc.
- Complete all pre-program requirements
- Once your participation is confirmed you will receive further documentation from LSV
Below is a participant checklist of your requirements prior to the live in program;

☐ Complete Expression of Interest Form
☐ Speak with your club/ region about volunteering involvement
☐ Return all relevant FYLP forms

Cost of Participating

- Life Saving Victoria will cover 50% of the cost to attend ($200)
- Participants will be invoiced directly the full cost of the camp, if they withdraw once selected
- Participants will need to arrange their own transport to and from camp
