Life Saving Victoria (LSV) is using virtual reality (VR) technology to educate the community about water safety. Below are a range of great educational VR Tours (a series of 360° images), each complemented by engaging curriculum aligned teaching resources.

## VR TOURS

VR Tours are like to going on a school excursion, without even leaving the classroom! Immerse yourself now in the following VR Tours:

<b>LIFESAVING VOLUNTEERS TO THE RESCUE</b> <a href="#">VIEW</a>	<b>LIFE ON THE MURRAY RIVER</b> <a href="#">VIEW</a>	<b>EVERYDAY LIFESAVERS – RESPONDING TO AN EMERGENCY</b> <a href="#">VIEW</a>	<b>RIP CURRENT SAFETY</b> <a href="#">VIEW</a>
