

Life Saving Victoria's Multicultural Beach Program practically educates participants on life saving techniques and water safety messages.

Qualified instructors, trained in multicultural education, conduct a variety of activities designed and tailored for multicultural groups.

Sessions typically run for 3 hours, or can be customised for your request.

Activities include:

- Water Safety Presentation
- Board paddling skills
- Rescue techniques
- Lifejacket use
- Snorkelling
- Soccer
- Cricket
- Beach Flags

Eligible groups:

- Schools
- Community Groups
- English Language Centres
- Universities
- With at least 85% CALD make-up
- High swimming ability not required
