As confirmed by the Membership and Leadership Development Council Executive, Life Saving Victoria would like to advise all Clubs that the Nipper Capitation Fee for 2018/19 & 2019/20 seasons will be \$13

Nipper Capitation Fees are invoiced to Clubs by Life Saving Victoria annually for their total number of Junior Activity Members. The fee contributes to providing resources to implement, deliver and administer the Nipper program. Clubs will be invoiced for the amount in October 2018.

In particular, this fee increase is in support of the new Nipper resources under development by the Junior Development Working Committee for release in 2018/19 season and continued improvements to tools, IT developments and support of the program.

Should you have any queries, please contact the Membership and Leadership Development department.
