The next Lifesaving Operations Council (LSOC) meeting will be held on:

Sunday, 9 September 2018
Commencing 9:00am

(Please note: doors will open from 8:30am for registration of the Lifesaving Operations Pre-Season Forum which will commence at 11am following the council meeting)

Level 1, Life Saving Victoria State Centre
200 The Boulevard, Port Melbourne 3207

The Council meetings provide the opportunity for Clubs to network and:

- Provide a forum for the conduit and sharing of information and issues between Life Saving Clubs and the State.
- Receive reports from Directors and professional staff in relation to lifesaving operations matters.
- Provide recommendations, policy advice and direction to LSV in relation to lifesaving operations.
- Ensure LSV remains an active and highly efficient and effective emergency service support agency, especially through the provision of 24-hour-a-day, year-round Lifesaving, rescue and response capabilities.

The Lifesaving Operations Council Executive encourages all Club Delegates and State Officers to attend the scheduled Council meetings in order to ensure that information is disseminated consistently across all areas of Life Saving. The meeting is a great platform for feedback and open conversation between LSOC Executive, LSV Staff and Life Saving Clubs.

If you wish to attend remotely, please ensure when you RSVP that you tick the 'I would like to attend remotely' box in the form linked below. Instructions, login details and minimum operating requirements for the software will be sent to the email address supplied 2-3 days before the council meeting.

To **RSVP and/or submit suggested agenda items**, please complete the [electronic form](#) by **Sunday, 2 September 2018**.

All clubs should ensure that their Council Delegate's details are correctly recorded with Life Saving Victoria. Any changes must be submitted to Lifesaving Operations via the appropriate nomination form prior to the meeting.
