In partnership with SLSA, Havaianas have created a specialised SLS branded product which we are excited to offer to lifesaving members.

Since launching over 50 years ago, Havaianas have become the summer style essential for everyone, anywhere, anytime: made for summer and made of summer.

Havaianas were created in Brazil in1962. Inspired by the Japanese Zori sandal, and made of quality Brazilian rubber, the texture of Havaianas rubber soles are like rice grains, one of the many design details that make Havaianas unique.

Surf Life Saving branded Havaiana thongs are available to members for $24.99.

To order a pair of Surf Life Saving branded Havaianas, follow the steps below:
