The Emergency Management Conference (EMC) is the annual conference presented by the Emergency Services Foundation to provide a forum for the exchange of the valuable information gained by emergency services workers in the line of duty, and in research. Life Saving Victoria (LSV) would like to encourage relevant members to review the linked information and consider attending the EMC.

When: Tuesday 28 - Wednesday 29 May 2019

Where: Pullman Melbourne, Albert Park

For program, brochure and to register online: <https://www.hpe.com.au/delegate-information>

The EMC is also the Emergency Services Foundation's annual fund raiser to ensure it can continue to provide support to families of emergency service workers and scholarships for emergency services personnel to study relevant topics, and contribute to the various professions. In addition, an ever growing trade exhibition showcases products of interest to the emergency services agencies at the conference. Delegates will attend from all emergency services, Federal, State and Local government departments and community groups with almost 500 delegates attending the EMC Conference annually.

In 2019, the EMC is available to volunteers (LSV members) to attend at a heavily reduced rate as per the table below:
