## On-line Entries

Team managers will be required to enter members electronically through the [LSV online registration website](#)

**Please ensure** that all athletes are entered into specific events.

Upon completion of the above, the following will be undertaken by Life Saving Victoria:

- Entries will be checked for eligibility, Patrol Hours & Proficiency

• Clubs will be invoiced for entry fees following the event. As this is a championship event all competitors will be charged \$37.00 (GST inc) each. This event is included as part of the 2018 Victorian Lifesaving Championships event list and so entry will include entry into the 2018 Victorian Lifesaving Championships.

### Proficiency & Patrol Hour Requirements

The details of these requirements are set out in the [SLSA 5.04 Competition Eligibility Guidelines](#).

The entry system will show clubs who are eligible/ineligible for competing at this Championship event. No athletes are permitted to be entered if they are ineligible.

Team Managers must also review their clubs 'Full Competitor List - Patrol Hours' report via the reports section of the Entry System. This sheet must be printed and signed by each Team Manager, and submitted to LSV by the close of entries, with explanations outlining why someone has been entered if they come up as ineligible. Clubs entering ineligible competitors may face disciplinary action.

If Clubs enter ineligible Members they may face disciplinary action.

### Entry Fees

Entry fees for the 2018 Victorian Lifesaving Championships are \$37.00 per competitor. As this event is part of the Victorian Lifesaving Championships any athlete entered into the Senior Championships at Apollo Bay SLSC and/or Victorian Masters Championships at Lorne will **not** be charged for both events.
