LSV recently became a Marine Safety Victoria (MSV) Approved Training Provider for the Marine License award. The award is being offered commercially through the Public Training team at select Life Saving Clubs across the State.

Eight spaces on each course have been reserved for club volunteers (at no cost), to assist in obtaining a Marine License and making it easier to meet eligibility requirements for the IRB Driver course.

To be eligible to attend the course, members must meet the other pre-requisites of the IRB Driver course, meaning that on receipt of their Marine License they will be eligible to enrol into an IRB Driver course.

These pre-requisites (excl. License) are:

- Current financial member
- Aged over 17 years of age
- Current Bronze Medallion
- Current IRB Crew award

Eligible and interested members are encouraged to:

1. Check their awards are current on SurfGuard
2. Contact the Volunteer Training Team who will:
 - a. Double check eligibility
 - b. Provide a single use 100% course discount code
 - c. Provide course enrolment instructions
3. Follow the enrolment instructions
