Approvals for both new and returning members

When you have submitted an application form and paid the Club's fee, your application will be considered by the Club. Membership is not automatic.

If there is a delay or you need to ask a question about your membership application, please directly contact the Club or Organisation that you applied to join.

Further Tips

I have moved away from the membership confirmation window and missed the step to pay for memberships. How do I pay?

Go to pay.slsa.com.au and make your payment. As you have gone straight to the payment screen you will have to type the name of the Club you wish to pay into Club/Organisation field. It's very important that you add all names that you are paying for in the 'Complete name/Meaningful Payment Details' section, as this is how the Club will track the payment to your membership.

How can I get further support with this process?
